BATUHAN BERK BAŞOĞLU

438-596-3135 | batuhanbasoglu@mailbox.org | https://batuhan.basoglu.co | Montreal, QC

PROFESSIONAL SUMMARY

Fluent in English, French, Turkish and intermediate knowledge of Spanish.

Motivated Software Developer with an extensive knowledge of web development, design, and coding, as well as experience in a wide range of programming languages, frameworks, and tools. Proven success in developing and deploying applications, websites, and web services. Highly organized and detail-oriented, with a knack for finding creative solutions to challenging problems.

EDUCATION

BACHELOR OF APPLIED SCIENCE, Computer Engineering   2017-2021
University of Ottawa, Faculty of Engineering, Ottawa, Canada.

- Awarded the University of Ottawa Access to French Studies Scholarship for full-time.
- Student in the French Immersion Stream.
- Awarded the University of Ottawa Admission Scholarship for Academic Excellence.

EXPERIENCE

WEB DEVELOPER   2021-2024
Inovestor, Montreal, Canada

- Resolved bugs and implemented new features for the RPM Eco Website under contract with RPM Eco using C#, .NET, ASP.NET, IIS, HTML, CSS, Typescript, Next.js, React, SQL, MySQL and Microsoft Azure. Created new pages in full-stack development, fixed bugs, and implemented new functionalities in the back-end, including repairing non-functional features and resolving user interface issues such as translation, alignment, and aesthetics in the front-end.
- Enhanced the VIA Rail website by fixing bugs and updating functionalities under a contract with IBM using C#, .NET, ASP.NET, IIS, HTML, CSS, JavaScript, Node.js, Angular and Microsoft Azure. Fixed user interface issues, including translation, alignment, and aesthetics, in the front-end. Additionally, improved back-end functionality by fixing non-functional methods, updating libraries, correcting CAPTCHA errors, and implementing new features, such as a stronger password policy.
- Trained and mentored interns.
- Demonstrated punctuality and effective task management.

WEB DEVELOPER   2021
Kargı Building Complex, Bodrum, Türkiye

- Created an advertising website from scratch for the Kargı Building Complex using HTML, CSS, TypeScript, JavaScript, Node.js and Angular, receiving excellent feedback from the employer.

INTERN ARCHITECT   2016
Atelye70, Istanbul, Türkiye

- Gained experience with AutoCAD and learned fundamental principles of architectural design.
- Developed workplace communication and collaboration skills.
